Franconi's Grocery Store and Fat Ricky's Restaurant to Break Ground in Uptown Square

At the April 1st Village Board meeting, Village officials approved a redevelopment agreement with BG Investments for the construction of Franconi's grocery store and Fat Ricky's restaurant and banquet facility.

The development will be located at the northwest corner of IL Route 53 and Alexander Circle in front of the recently constructed Edward Hospital Athletic and Events Center.

"We are very excited to proceed with this development. A grocery store in this area of the community has been a top priority for the Village Board. We look forward to the ground breaking this year," said Mayor John Noak.

Fat Ricky's will continue to operate at their current location until the opening of the new restaurant. Franconi's grocery store will also include a delicatessen and bakery.
