## Romeoville to Upgrade Community Parks

The Village of Romeoville continues to improve area parks for the residents to enjoy. At last night's Village Board meeting, the Board approved upgrades to **Boucher Prairie Park and Lakewood Estates Park**.

Boucher Prairie Park's enhancements will include building a restroom facility and adding landscaping. [Click here](#) to view the site plan rendering.

The renovation of Lakewood Estates Park will include installing new play equipment, building a shelter structure and adding site furnishings and landscaping. [Click here](#) to view the site plan rendering.

"Physical activity and social involvement are key factors in keeping today's youth healthy. Keeping our parks upgraded, maintained and safe for area children is always a top priority," said Mayor John Noak.

Renovating area parks provide many benefits to the community. Renovations are expected to be complete by Summer 2015.
