Romeoville Receives Award for Financial Reporting

The Village of Romeoville has received the Certificate of Achievement for Excellence in Financial Reporting by the Government Finance Officers Association of the United States and Canada (GFOA) for its comprehensive annual financial report (CAFR).

The Certificate of Achievement is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management.

“We are very proud of our Finance Department for receiving this distinction. The award speaks volumes to the professionalism and accuracy of our Finance Department when compiling the comprehensive annual financial report,” said Mayor John Noak.

The CAFR has been judged by an impartial panel to meet the high standards of the program including demonstrating a constructive “spirit of full disclosure” to clearly communicate its financial story and motivate potential users and user groups to read the CAFR.

The GFOA is a non-profit professional association serving approximately 17,500 government finance professionals with offices in Chicago, IL and Washington, DC.
