## **Public Works Crews Continue Clean Up Efforts**

Clean up efforts continue, please keep in mind the following tips during this time:

- Public Works crews continue throughout the community providing chipper service. Crews will be working through Sunday, excluding the July 4th holiday, until 7 p.m. each day.
  - Please bring branches to the curb.
  - Residents do not need to call Public Works for pick-up.
  - Please do not sweep debris into streets.
- When doing any home repairs (i.e. roofing, siding, etc.) please call the Building Department at (815) 886-5049 to make sure your contractors are licensed.
- Some residents remain without power. Please check on elderly or disabled neighbors. If assistance is needed, please call the Police Department at (815) 886-7219.
- If using portable generators, follow these safety tips:
  - Engines emit carbon monoxide. Never use a generator inside your home, garage, crawl space, or other enclosed areas. Only use your generator outdoors, away from open windows, vents, or doors. [Click here](#) for more generator safety tips.
- A cooling center is available at the Recreation Center, 900 West Romeo Road. If a cooling center is needed after 9:30 p.m., we ask residents to contact the Police Department at (815) 886-2141.
