## Molto Properties to Annex 15 Acres to Romeoville

On Wednesday, July 1st, the Romeoville Village Board approved the application for annexation, zoning and development by Normantown ECS, LLC (Molto Properties) for the property at 1881 W. Normantown Road.

"We always welcome new development in our community and we look forward to seeing Molto's project progress. This is a great location, as it provides convenient access to I-55," said Mayor John Noak.

The proposal by Molto Properties includes the construction of a 226,000 s.f. warehouse building on approximately 15.4 acres. The new building will complement the existing buildings along the Normantown Road Corridor. This is Molto's second building in Romeoville. In 2014 Molto developed an 189,662 square foot, state-of-the-art distribution facility at 1485 Normantown Road.
