Congratulations to Mistwood Golf Club for Receiving Another Renovation Award

Golf Inc. Magazine selected Romeoville's Mistwood Golf Club as one of the top 3 public renovations in the world, alongside Donald Trump's Blue Monster at Trump National Doral and Camelback Golf Club in Arizona. The contest winners are featured in the [Summer 2014 issue](#).

This is not the first award Mistwood has received for their renovation efforts. GOLF Magazine awarded Mistwood with its "Best U.S. Renovation You Can Play" listing for 2013 as part of the magazine's annual Best New Courses report published in the January 2014 issue. Golf Digest architectural editor Ron Whitten also recognized Mistwood as one of 2013's top remodeled courses on golfdigest.com.

Mistwood reopened in the Spring of 2014 after a three-year, multi-million-dollar renovation that included constructing a state-of-the-art Performance Center.

"Two prestigious awards in two years is an incredible statement for Mistwood and for Romeoville. The renovations are amazing and Mistwood is very deserving of the distinctions," said Mayor John Noak.
