2013 Water Quality Report

Now Available

In an effort to be more environmentally responsible, the Village of Romeoville is no longer printing and mailing the Annual Water Quality Report, however, we are providing a full copy for your reference on our website.

To see how Romeoville's water quality compares with established federal and state drinking water standards, [click here](#). You can print from this link, or contact our Public Works Department at (815) 886-1870 to receive a printed version.
