## **I-55 at Weber Road Construction Begins**

In preparation for the interchange reconstruction project of I-55 at Weber Road, the Illinois Department of Transportation (IDOT) will be closing a lane on Weber Road northbound in advance of the traffic signals for the inbound I-55 ramps.

The closure will be in place from 7:00 p.m. and 5:00 a.m. beginning Tuesday, November 11, 2014. The closure will be set-up throughout this week and possibly a night or two next week, weather permitting. Please expect delays.

The project will include widening Weber Road to six lanes between 119th and 135th streets and building a new "diverging diamond" interchange with interstate 55 that will allow motorists faster access to and from the Interstate.
