## All World Storage to Make Improvements

The Village of Romeoville continues to enhance the Route 53 corridor.

Village officials have approved a plan with All World Storage self-storage facility at 315 N. Independence Blvd. to facilitate the construction of certain improvements to the facility, including new curbs, gutters, ornamental landscaping and exterior signage.

"Significant progress has been made on many projects along Route 53. This project is yet another important venture as we are focused on continuing our vision to redevelop the area into a viable, integral part of the community," said Mayor Noak.

Improvements will begin immediately with the demolition of the existing sign.
