Romeoville Offers Water Relief Rebate for Fifth Consecutive Year

In 2011, Mayor Noak and the Village Board recognized the impact of the national economic recession and its continuing effects on the residents of Romeoville. To help provide assistance, Mayor Noak and the Village Board implemented a rebate program to the residents of Romeoville.

We are pleased to announce that the rebate will be given again this year. Over the five year period, over \$1 million dollars has been returned to the residents of Romeoville.

This year, the Water Relief Rebate will again be reflected in the form of a \$15.00 credit on resident's October water bill. The refund will be credited to all single-family home customers living within the Village's boundaries.

"The credit is a small amount of relief for residents just before the holidays that gives them that little bit of a breather. We are fortunate to be in a position to provide this to our residents again this year," said Mayor John Noak.

If you have any questions regarding this rebate or any Village services, please do not hesitate to contact our offices at (815) 886-7212.
