Blain's Farm & Fleet Selects Romeoville For Their New Location

Blain's Farm & Fleet has chosen Romeoville for their next location.

The proposed 122,000 square foot building will be located on the 29 acre parcel at the southeast corner of Airport and Weber Road. Farm and Fleet will employ over 100 associates at this location. In addition to Farm and Fleet, the development will include up to 7 retail outlots.

"We are proud to be partnering with Blain's Farm & Fleet on their newest location right here in Romeoville. It is evident that the company executives deeply care about its economic growth, stability and their customers," said Mayor John Noak.

This will be the company's 37th store and their first in Will County. The new design is the first of its kind, and incorporates many green aspects while providing customers a more enjoyable shopping experience.

Blain's Farm & Fleet, a family-owned company founded in 1955 is a specialty discount retailer with 36 locations throughout Wisconsin, Illinois and Iowa. They continue to be known for their community support. Blain's Farm and Fleet provides customers high-quality products, competitive prices and reliable service. Along with the Blain Supply Inc. located in Janesville, Wisconsin, the company employs over 4,000 people.

Construction is expected to begin in 2016.
