Construction to Begin on Route 53 Retail Center

At the Village Board meeting, officials approved the final agreement for the new retail center on Route 53. The proposed development will be located at the northwest corner of IL Route 53 and Alexander Circle in front of the Edward Hospital Athletic and Event Center.

"This will complete the development within the 10 acre site and we look forward to additional improvements on other properties along the Route 53 corridor," said Mayor Noak.

The site plan includes a 9,400 square foot retail center. The developer is finalizing negotiations with BMO Harris Bank to relocate their Townhall Drive facility to this location. Construction is anticipated to start this Spring.
