Romeoville Welcomes Blain's Farm & Fleet

First location in Will County

An official ribbon cutting ceremony was held on October 12th to welcome Blain's Farm & Fleet to their new Romeoville location at 451 S. Weber Rd. The 122,000 square foot building is the company's 38th store and the first in Will County. This location employs over 100 associates.

The Romeoville store is the first of its kind because it incorporates a new design with many green aspects while providing customers a more enjoyable shopping experience.

"We are so excited that Farm and Fleet chose Romeoville. The response from residents about the opening has been overwhelming and just in time for holiday shopping," said Mayor John Noak.

The store officially opened today, October 13th. The Grand Opening event is Thursday, October 20th through Saturday, October 22nd. Stop by for a look at the new store, great deals, activities, vendor demonstrations, giveaways and more. The event is free and family-friendly.
