Metal Monkey Brewing Celebrates Two Years in Business

The Romeoville based Metal Monkey Brewery capped off quite a first year, winning Romeoville's 2016 Business of the Year. Now with year two in the books, they'll be throwing a big party to celebrate and thank the community for their continued support.

"All of us grew up in and around Romeoville and the Village and community have been great," said Brandi Camp, Owner/Ring Master of Metal Monkey Brewery. "We'll be expanding in April, which will allow us to do more bottling and even start canning." Their brews can already be found at Binny's Beverage Depot, as well as 10-15 different bars and restaurants.

Metal Monkey's Two Year Anniversary Party will be held on Saturday, January 27 at their location at 515 Anderson Drive, Suite 900. The party will run from noon – 11 pm and will feature food from The Chicago Pizza Boss and The Roaming Hog, live music from Guardsman, Professor Emeritus, and Maiden Chicago, and two bottle releases, not to mention over 20 unique beers on tap, all brewed in house.

"Metal Monkey's continued growth exhibits the kind of drive we love to see from small businesses," praised Mayor John Noak. "We're thrilled to have them here in Romeoville."
