**Final Development Plan Approved for Checkers Restaurant**

The Village Board has approved the final plans for a new Checkers Restaurant to be built on Route 53 and Phelps Avenue, the former site of Lazer Car wash.

The 1,000 square foot restaurant will consist of a single drive-through lane and a limited outdoor patio. There is no indoor seating. The building will reflect Checkers retro branding, featuring a metallic winged roof and checkerboard tile exterior.

Checkers is one of the many new business coming to the Route 53 Corridor. Other businesses that have recently opened include the Express Car Wash and Thorntons. Checkers is aiming to be completed by June.
