What's Happening at the Recreation Center?

We hope this brochure arrives in time to provide you with another reminder about RomeoFest – Thursday, August 6, through Sunday, August 9. It's our biggest event — and one that has something for everyone in the family to enjoy! We've got music, entertainment, carnival rides, a variety of food vendors sure to please your palate, and more. I hope to see you there!

While RomeoFest may be our biggest summer event, it most certainly isn't the last. We have two more bands for our Rockin' the Ville Concerts on Thursday, August 20 and Thursday, September 3, Cruisin' the Square on Thursday, August 27, the Glow-n-Go 5k Walk/Run on Friday, September 25, the Youth Outreach Commission Costume Ball on Saturday, October 17, and much more.

There's no need for the kids to be blue about the start of school — bring them out for our annual Community Day of Play on Saturday, September 12. We'll have a variety of activities, games, and inflatables to keep them entertained.

We are in the planning stages for a major renovation of Haley Meadows Park. Construction is expected to begin late this summer with completion expected in the spring of 2016.

Please read through the brochure for other events we provide through the fall season. There are also fitness, sports, and fun educational programs available to almost every age group. Don't forget to check out Parents Night Out, Open House Week, Kids Zumba, Spanish Classes for Kids, Super Hero Training, Parent & Tot Gymnastics Open Gym, Flag Football classes, Art Classes for Adults, and our new and exciting trips. We hope to see you soon!

WARNING OF RISK

Despite the implementation of all reasonable precautions by the Department, an unavoidable risk of serious injury will always exist when participating in any recreational activity. Not all hazards and dangers can be foreseen. Participants and parents/guardians of minor participants must understand that certain risks and hazards will be inherent to participation in that activity, including but not limited to risks and hazards associated with inclement weather, slip and falls, overexertion and fatigue, disregarding safety rules and instructions, collision with stationary objects or other participants, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating. Accordingly, the Department hereby informs all participants and parents/guardians of minor participants that it is impossible for the Romeoville Recreation Department to guarantee absolute safety for all program and activity participants.

WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK

I acknowledge and assume the risks of property damage, accidents, injuries (including death), loss of bodily functions, disabilities, medical disorders, pain and suffering, lost income and medical expenses that arise from participation in any program or activity offered by the Department, and my use of facilities, transportation services, premises and equipment provided by the Department. I further acknowledge that the foregoing risks may arise from my own action or inaction, the actions or inaction of other program or activity participants, the conditions under which a program or activity is conducted, or from the negligent actions or inaction (including any failure to warn) of Department personnel, contractors or service providers. In consideration of being allowed to participate in programs or activities offered by the Department, or to use facilities, transportation services, premises and equipment provided by the Department, I hereby release, waive and discharge the Village of Romeoville and its officers, officials, employees, agents, volunteers and contractors (collectively, the "Releasees") from any and all liability and all claims of any kind whether for personal injury, property damage or death, arising from participation in any activity or program offered by the Department, arising from my use of facilities, transportation services, premises and equipment provided by the Department, or arising from the use or publication by Releasees of photographs of me participating in programs or activities offered by the Department, whether or not caused by the negligence of the Releasees or any of them and further covenant that I shall not sue any of the Releasees with respect to any such liability or claims. In the event that I or anyone else nonetheless makes a claim or files suit against Releasees arising out of any of the above-described matters, I will indemnify and hold Releasees harmless of and from any and all damages or judgments and costs of litigation, including attorney fees. The provisions hereof are to be construed as broadly as possible in favor of Releasees, and this Agreement as a whole shall be governed by the laws of the State of Illinois (without reference to the conflicts of laws rules thereof). If any part of this Agreement shall be ruled invalid by a court having jurisdiction, the balance shall be enforced to the maximum possible extent. Program Cancellation:

If the program is canceled due to insufficient registration, a full refund will be made through the Village within fifteen (15) to thirty (30) working days.

Class Cancellation:

If a class is canceled during the program, participants will be notified of the make up date by phone, in writing through a hand-out at class, through the mail, or via e-mail.

Refund Policy:

Refunds are issued as follows - 100% before the start of week one; 75% before the start of week two; 50% before the start of week three; 25% before the start of week four; and NO REFUND after week four. Refunds will be issued in 30 to 60 days.

Age Criteria Policy:

Appropriate age levels have been established by our supervisors to ensure a rewarding experience for all children. Children must meet the age requirements of a class within two weeks after the starting date of the class (with the exception of Creative Play). Noncompliance with age requirements can result in removal from the program. The Recreation Department reserves the right to request a birth certificate if the age of the child is in question.

Program Enrollment Policy:

All programs have minimum and maximum enrollments. If the minimum enrollment has not been reached by the stated deadline, the Recreation Department reserves the right to cancel, postpone, or consolidate the program with another. If a program is canceled, full refunds will be issued.

Things to know before you visit!

Toilet Training Policy:

Children enrolled in a Romeoville Recreation Department program for ages 3 and older must be toilet trained unless it is a parent/toddler class. Recreation Department programs stress the importance of children practicing their independence and we do not aid children in the bathroom. Our instructors are not responsible for diaper changing or toilet training. The Recreation Department reserves the right to deny participation by a child age 3 or older if they are not toilet trained.

We Love Parents But...

With your child's best interest in mind, parents are invited to their child's last class meeting only. Our instructors always welcome the opportunity to discuss a participant's progress with parents at any time. Thank you for your cooperation.

Inclusion Aides:

Tri County Special Recreation Association provides qualified staff to help assist the Romeoville Recreation Department's community recreation leaders in providing recreational programs for children and adults with special needs in a safe environment.

Inclusion aides assist participants with activities provided through the Recreation Department and with any accommodations needed to make sure it is an optimal experience for participants. If your child needs assistance in a program, please mention this on your registration form or upon registration.

We do our best to provide inclusion aides for all requests; however, from time to time an aide may not be available because of the class time or day.

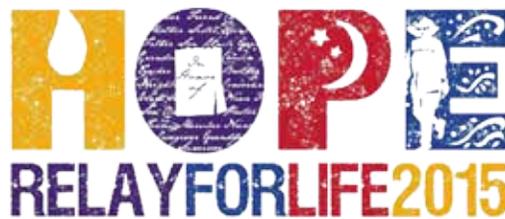

Resident Rate:

A Resident Rate Status is available for non residents who wish to register for classes at a resident rate. This can be purchased for \$100 per household and will allow non residents to register for classes at the resident rate during the non-resident registration period (walk-in registration only). A Resident Rate Status is good for one year from the date of issue. These passes are eligible for all recreation classes; they do not apply to the Birthday Party Packages, Open Gym, Child Care, Fit 4 Life, or rentals.

ID Policy:

All registrants will be asked to show one form of photo identification to ensure residency and confirm information on file. Please be prepared to show identification at any time (state-issued ID or drivers license).

INCLUSION SERVICES

Tri County SRA understands that sometimes the best option for an individual with special needs is to participate in their own community's recreational programming, but with support to make it a positive experience. That is where we come in. Inclusion services are offered to participants of programs within Tri County SRA's member communities at no additional cost to the family. Once a need has been identified and communicated to one of our partner agencies, a Request for Inclusion Support is submitted and we take it from there. Tri County SRA's inclusion services also include, when necessary, staff training, program modifications/adaptations, modified equipment and program observations. For further information, contact Kathy Ochromowicz, Program Manager.

GROUP FITNESS

Each group fitness program is labeled with the components it strengthens. Multiple components may apply to individual classes, or they may only have one. Sign up for all the different components to get a complete workout!

COMPONENTS OF FITNESS

To improve your overall fitness, it is important to have a balance of the five components of fitness. **THESE COMPONENTS ARE:**

- 1 **Cardio-Respiratory Endurance:** The ability to do moderately strenuous activity over a period of time. It reflects how well your heart and lungs work together to supply oxygen to your body during exertion and exercise.
- 2 **Muscular Strength:** The ability to exert maximum force, one time. An example would be a one time lift of the heaviest weight you can manage.
- 3 **Muscular Endurance:** The ability of a muscle or muscle group to repeat a movement many times or to hold a particular position for an extended period of time.
- 4 **Flexibility:** The degree to which individual muscles will lengthen and the ability to move a joint through its full range of motion.
- 5 **Body Composition:** The proportion of fat in the body compared to the amount of lean mass.

Registration deadline is seven days before class begins.
