LIABILITY WAIVER

The Romeoville Recreation Department is committed to conducting its Recreation Programs and Activities in the safest manner possible and holds the safety of participants in the highest possible regard.

Participants and parents registering their child in Recreation Programs must recognize, however, that there is an inherent risk of injury when choosing to participate in recreation activities. The Romeoville Recreation Department continually strives to reduce such risks and insists that all participants follow safety rules and instructions which have been designed to protect the participants' safety.

Please recognize that the Romeoville Recreation Department does not carry medical accident insurance for injuries sustained in its program. The cost of such would make program fees prohibitive. Therefore, each person registering themselves or a family member for a Recreation Program must provide their own health insurance coverage. It must be noted that the absence of health insurance coverage does not make the Romeoville Recreation Department automatically responsible for the payment of medical expenses.

The undersigned is over 21 years of age and has read this form and attached regulations and agrees to comply with them. He/she agrees to be responsible to the Village for the use and care of the park site. He/she does hereby covenant and agree to defend, indemnify and hold harmless the Village of Romeoville from and against any and all liability, loss, damages, claims, or actions (including costs and attorneys fees) for bodily injury and/or property damage, to the extent permissible by law, arising out of or in connection with the actual or proposed use of the Village of Romeoville's property. **PHOTO OR FILMING POLICY:** The undersigned do hereby grant permission to the Romeoville Recreation Department to take photographs or film my child/self and consent and authorize the Romeoville Recreation Department to use and reproduce the photographs and/or filming in the Recreation Brochures and to promote its programs.
