- 1 Plots are 10'x10' and limited to one per household. The Community Garden is open from 8am-8pm daily.
- 2 Lockport Township Park District and Village of Romeoville residents can reserve a garden plot for \$20. Non Resident fee is \$40.
- 3 Please visit the Romeoville Recreation Department (900 W. Romeo Road) to register and reserve a plot.
- 4 Make sure to bring your own watering cans to the garden; hoses are not allowed. We will provide a water supply to fill your cans.
- 5 Please obey all parking areas; do not drive inside the park or on the grass.
- 6 Fencing or mesh is not provided by the Romeoville Recreation Department, though you are allowed to divide your plot with it temporarily for the growing season.
- 7 No chemicals are allowed to be used in the gardens. Pesticides are prohibited due to the potential of drift/runoff. Over-the-counter fertilizers are allowed and must be used according to the instructions.
- 8 A \$25 CASH Deposit will be required for key replacement, in case Garden Guidelines are not followed, or general damage to the garden area. The growing season ends on October 28; therefore, cash deposits can be picked up after November 12. Key must be turned in to acquire deposit.
