Magic Class

MAGIC CLASS! Children are guaranteed to have a great time as they learn a collection of fascinating and mesmerizing tricks! Amaze family and friends with tricks that involve cards, ropes, coins, mind-reading, and more. While the tricks may appear difficult, you'll discover that they are quick to learn and easy to perform. All materials are provided, and each child receives a magic kit to take home. Children are grouped by age and always learn tricks that are age-appropriate. Additionally, you can sign up for this class again and again since brand new tricks are taught each session!

Cooking and Crafting

Cooking is where kids have fun together, measuring, mixing, baking, and enjoying each other's company. Children develop hand-eye coordination, learn kitchen safety and build on reading and arithmetic. It's a happy, wholesome way to create edible, homemade fun. The children will also construct a craft during each class.

Lights, Camera, Action: Intergalactic Moviemaking

Are you a Star Wars™ or Transformers™ fan? If so, join COMPUTER EXPLORERS and create your very own Star Wars™ and Transformers™ movies using special digital movie cameras and software. As directors and producers we will work in teams to create our own story and script, build various intergalactic scenes, and film our own movies. We will use graphic editing techniques and stop motion animation, add background noise and music, and show our movies at a private screening on the last day of class. All students will get copies of the movies on a CD after class is complete.
