

# United States® Census 2010

*Everyone Counts in Romeoville*

The U.S. Census counts every resident in the United States, and is required by the Constitution to take place every 10 years.

**The 2010 Census will help communities receive more than \$400 billion in federal funds each year for things like:**

- Hospitals
- Job training centers
- Schools
- Senior centers
- Bridges, tunnels and other-public works projects
- Emergency services

The data collected by the census also help determine the number of seats your state has in the U.S. House of Representatives.

**We can't move forward until you mail it back.**

In March of 2010, census forms will be delivered to every residence in the United States and Puerto Rico. When you receive yours, just answer the 10 short questions and then mail the form back in the postage-paid envelope provided by April 1, 2010. Much of the State and Federal funding the Village receives is based on population. The Village also uses these numbers to plan for future growth and facilities. ***Your response is vital to the future of the Village!***

The majority of the country will receive English-only materials. Households in areas with high concentrations of Spanish-speaking residents may receive a bilingual (English/Spanish) form.

Any personal data you provide is [protected under federal law](#).
