### **STATEMENT OF ACTIVITIES FY 21-22**

The projects meet the Gateway North Upper General TIF Goals, the Redevelopment Objectives and Development and Design Objectives.

#### **TIF FORMATION/ENGINEERING/ADMINISTRATION**

The first TIF property tax revenues were generated by the 2017 levy and received during the 18-19 fiscal year.

#### **ABBOTT LAND GATEWAY LLC DEVELOPER AGREEMENT**

The Village entered into an agreement in FY 17-18 with Abbott Land that will provide up to \$15,700,000 in incentives to reimburse the developer for eligible TIF costs. The developer will receive 90% of the TIF revenues. The agreement requires the Village to issue up to \$9 million in TIF notes and the developer can require the Village to issue TIF bonds to repay the notes. The developer is making numerous improvements to the site, including construction of a road, that will include a 351,870 square foot industrial building, a Thornton's truck refueling center and a truck car wash. The refueling center and truck wash have been completed.

#### **TIF NOTE ISSUANCE**

TIF Notes of \$3,552,000 were issued in FY 18-19 to bring the total to \$6,936,000. The total note can be as great as \$9 million. The \$9 million limit was reached in May of FY 19-20. The notes are currently taxable but the developer agreement requires, at the discretion of the developer, that the notes be converted, if and when eligible, into tax exempt notes. The Village has no obligation regarding repayment of the notes beyond 90% of the TIF increment. The notes have a 7% interest rate. ## **INDEPENDENT AUDITOR'S REPORT ON SUPPLEMENTARY INFORMATION**

The Honorable Village President

Village of Romeoville, Illinois

We have audited the financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the Village of Romeoville, Illinois (the Village) as of and for the year ended April 30, 2022, which collectively comprise the basic financial statements of the Village and have issued our report thereon dated February 14, 2023, which expressed an unmodified opinion on those statements.

Our audit was made in accordance with auditing standards generally accepted in the United States of America. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall basic financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Village's basic financial statements. The supplementary financial information (balance sheet and schedule of revenues, expenditures, and changes in fund balance) is presented for the purpose of additional analysis and is not a required part of the basic financial statements. The supplementary financial information is the responsibility of management and was derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements.

The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.
